

CARING FOR OUR WNC NEIGHBORS

**Seating and Wheeled Mobility (SWM) Clinic**

**USE Google maps & search for MountainCare Seating and Wheeled Mobility Clinic Asheville NC**

**DO NOT USE Apple maps nor Waze**

**Phone (828) 820-2828 Fax (828) 277-4855**

Turn in off of Sweeten Creek Road at the main entrance to CarePartners campus but do not turn Right, drive straight up the hill perpendicular to Sweeten Creek Road (Do not turn right to main campus).

Top of this hill, first building on your right is MountainCare, a beige building. Make a sharp right-hand turn and then drive around to the R side of this building. Follow the large yellow signs for "Adult Day Dropoff".

The accessible parking is on the R side of this building and will be on your Left as you make that last turn.

There are 4 level wheelchair accessible parking spaces.

The automated entrance door is on this side of the building.

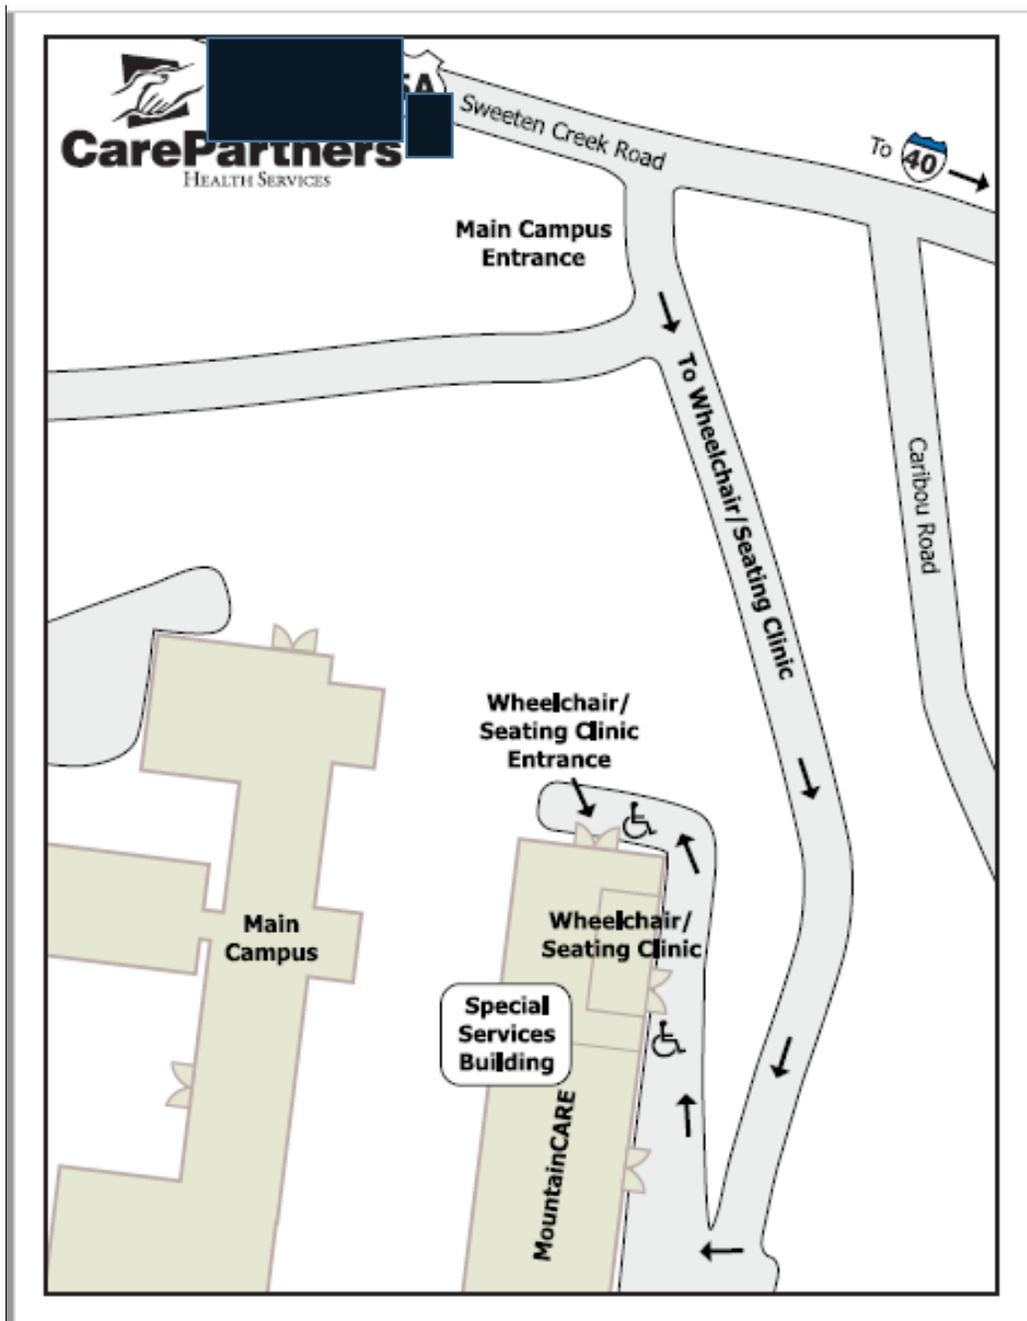

Upon entering the building, the Waiting Room is the second door on your right.

Please wait there and ring the doorbell in the hallway for Seating Clinic.

Restrooms are further down the hall (take a R and then L) past the evaluation room and restrooms are on your L.

Thank you and I look forward to seeing you!

Barbara Crume, PT, ATP
